President's Message Program

Welcome back!

I missed everyone, and the news has been big amongst our members, not all of it good, but as it goes, it's better than it could have been and I'm looking forward to our meeting!

This, of course, is my favorite, Santa Missed the Boat, silent auction. I just love what everyone brings to the meeting.

We have quite the slate of business to attend to, so please be patient. I know how we are after we haven't seen each other for a time. We'll have plenty of time for catching up, we'll make sure we all have "pre-gab fest" and play time. But, I will request that once we begin the official meeting we buckle down. A few of our concerns are: Membership Chairperson, we need to find a replacement for Joyce. So if you're up for it, feel free to stand up. Eastman issues ho hum....weeds, which are having so much fun with this great weather! Oh and dues are due... \$12.00...don't forget your checkbooks! Be kind because the new membership chair will be collecting them. Surprise!

See you soon,
Cathy Weber

Dues are Due soon

Dues are still \$12.00. There would be great disappointment not to include your name on the TVRS 2011 membership roster.

Membership News

As slightly mentioned by our illustrious leader one of our members, over the break, underwent some surgery but is recovering well and already out driving around, which scared the heck out of me even before her surgery. Another of our members has moved into a care facility.

In The Garden

Not much in the way of rose activity in your gardens right now but do not worry...growth and all the other good things, along with the bad, will be happening again soon. To help lessen the bad go out and walk in the garden. There might be weeds to pull, leaves to remove or some crossing/small canes to remove. This type of activity will help.

Santa Missed The Boat...

Hope everyone had a very Merry and Happy Christmas and Holiday Season, but can't wait to see what shows up at the silent auction!

You know the drill, if it didn't quite fit, or work for you, bring it to the this month's meeting, we can all then get a chance at that gift you may have been less than thrilled at getting.. All you have to do is bring it in, nothing fancy, Oh yeah, Do we have stuff! Now just because I say I have stuff doesn't mean there isn't more room! Do not be shy to ask friends and family for donations of those not so happy gifts. Also invite your friends and family. Who knows? They might find something they would like or maybe, just maybe, they might want to join.

Remember that all monies collected, checks are ok, will go in our general treasury and put toward the things we need to do.

Fundraising

Yes we need to bring this up again. This is because fundraising is what funds our projects and annual rose show.

Calendars...yes we still have a few. Last check it is still not to late to give some out as gifts. Time is running out though.

Plant Sale...not too early to be thinking about. Pot that stuff up as soon as weather and season permits so the presentation is conducive to sale.

Garage Sale...Yep. Pre-spring house cleaning can glean some interesting items that can become someone else's treasure. Those early season garage sale leftovers can also reveal great treasures so let your friends and family know we can use their leftovers.

Elephant Garlic Festival...Mark your calendars now for this very important and fun fundraiser. This is a fun time with no work on our part but to offer time and willingness to listen to music and watch people. Once in awhile
